home generator systems

pssst! pass it on.

refer a friend and you both get $50

listen to a trusted friend
and receive $50

Whether you are looking for reliable backup power for your residence or vacation home, it pays to follow sound advice. GE Generator Systems are a simple way to not only protect your family each time the power goes out, but they will also help keep you safe and protect your bottom line.

Ask the person who sent you this card to tell you more about the features and benefits of permanently installed Home Generator Systems by GE. If your consideration leads you to choose the name that began turning the lights on nearly 130 years ago, just fill out the following information and both of you will receive checks for $50. With GE, it pays to follow sound advice.

Call a GE dealer today for a free in-home estimate and consultation.
